

Apna Wallet Think Tank

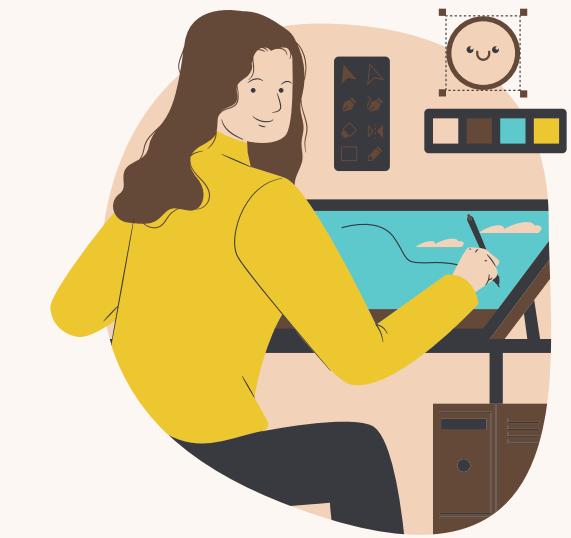

Apna Wallet is meant for psychological-financial empowerment of all women.
(All women means that trans women are included).

WHAT?

It is a think tank and initiative of Kafe Kaam. Apna Wallet envisions to spread the message at power tables through the use of technology in different forms

WHO?

Founded by Dr. Rakhshinda. It is non-funded and entirely powered by passion and earned experiences.

PURPOSE

Highlighting the necessity of financial independence, technicalities of handling self-finances & observing empathy while believing that empathy is teachable and transferable too.

MECHANISM

Apna Wallet works with a simple mechanism i.e. involving and including the voices of all those women who are still striving, who have achieved clout and who are exploring new targets in life by consciously or unconsciously deconstructing many gender stereotypes. It looks at the issues of women with intersectionality lens.

OUR PODCAST

A series of Podcasts, titled "Duty Queens" to create a base of data and anecdotes from women with age, ethnic and skill set diversity who are duty queens in their own stride and sheroes in their own stories.
